## Aid to those affected by the earthquake in Türkiye

We mourn those who lost their lives in the earthquake that occurred in southeastern Türkiye (formerly known as Turkey) on February 6, and our hearts go out to those affected by the disaster.

In order to aid those impacted by this deadly earthquake and contribute to recovery and reconstruction in the affected regions, KAGA ELECTRONICS CO., LTD. (Head office: Chiyoda-ku, Tokyo; Representative Director, President & COO: Ryoichi Kado; hereinafter the "Company") has decided, at its Board of Directors meeting held today, to donate 10 million yen in relief funds through the Embassy of Türkiye in Japan.

The Company has deep ties to the Republic of Türkiye, beginning in 2018 with the establishment of KD TEC TURKEY ELEKTRONIK SANAYI VE TICARET LIMITED SIRKETI in the city of Düzce. Since then, it has been manufacturing electronics as a base for the Company's European EMS\* business. In addition, the construction of a new plant in the same city aimed at expansion of the business has completed and its operation is scheduled to start in June of this year.

We pray for the speedy recovery of the affected regions.

(Note) Electronics Manufacturing Service: Provision of product development and manufacturing services on an outsourcing basis.
